## ABOUT THE COURSE

This course aims to assist participants to develop the intercultural competence and communication skills required when Managing Virtual Teams. Upon completion participants will understand the key issues and motivators that drive virtual teams and gain the skills and tools to successfully build, manage and work in a virtual environment.

## WHY CHOOSE THIS COURSE?

- Increase awareness of your own management style when managing a virtual team
- Develop a greater understanding of the practical and behavioural challenges of managing virtual teams
- Enhance communication skills to positively interact with virtual team members
- Develop practical strategies for using a variety of technologies more effectively

**COST**  
\$36,000.00

## WHAT WILL I LEARN?

- Evaluating and adapting your management style
- Values, attitudes and expectations within the virtual team
- Key stages in virtual team building
- Communication styles within the virtual team
- Virtual communication: challenges and solutions
- Practical strategies and tools for effective virtual team management

**DURATION**  
18 Hours

Inhouse Training is available and can be tailored to suit your organisation's training needs.

## CERTIFICATION

Successful learners will be awarded an ABMA certificate of completion. ABMA is an Awarding Organization based in the UK offering OFQUAL Regulated and Professional qualifications in the UK and internationally.
