CERTIFICATE IN VIDEO EDITING

NATIONS

41-42 NEW MARKET STREET, GEORGETOWN
225 4516 | info@nations.gy | www.nations.gy

  @NationsInc

ABOUT THE COURSE

Video editing is the key to blending images and sounds to make us feel emotionally connected and sometimes truly there in the film we're watching. It's a safe assumption to say that video editing is amongst the most important jobs in the film industry. Due to the advancements in technology, editing has become more than just putting together various shots, it also involves the editor applying filters or other enhancements to the clips during post production.

PROGRAMME STRUCTURE

- Learn how to create and edit videos
- Shoot ads, weddings & documentaries
- Learn how to use production equipment
- Master Adobe Premiere

ENTRY REQUIREMENT:

- Sound Secondary education (16 and over)
- Mature adults with creditable work experience and passion for graphic design and photography
