## PREPARATION CLASSES FOR SAT MATH & ENGLISH

### SCHOLASTIC APTITUDE TEST - SAT

SAT is a globally recognized college admission test that lets you show colleges what you know and how well you can apply that knowledge. It tests your knowledge of reading, writing and math — subjects that are taught every day in high school classrooms. Almost all colleges and universities in the United States use SAT to make admission decisions. Taking SAT is the first step in finding the right college for you, the place where you can further develop your skills and pursue your passions.
