NATIONS SCHOOL OF MEDICINE

For over three years, Nations School of Medicine (NSoM) has been offering the Masters in Public Health from the University of Bedfordshire, providing the most qualified lecturers and excellent study conditions. In addition to the MSc in Public Health, NSoM offers short courses in the Law of Tort (Medical Negligence) and Medical Spanish.

ABOUT THE COURSE

The course is run in collaboration with the University of Bedfordshire. All classes are on weekend days. Successful students will be awarded a Master in Public Health from the University of Bedfordshire.

The course is delivered using a block delivery system; you will undertake one Unit at a time for 6 weeks. At the end of 6 blocks you will progress to the Master's capstone experience stage where you will complete a dissertation. This option will include an element of research methodology which is embedded within the unit.

The course comprises of a total of 180 credits i.e. 15 credits for each of the following courses:

- Epidemiology in Public Health
 - Public Health Protection
 - Health Care Commissioning
 - Health and Social Care Inequalities
 - Ethical and Legal Issues
 - Public Health Intelligence
 - Public Health Research Methods
 - Principles, Policies and Issues in Public Health
- Sixty credits are awarded for the final dissertation

ASSESSMENTS

A range of assessments is used including: written reports, case studies, in-class tests, research essays and oral presentations.
